

SKILLS

- **Programming Languages:**

C++, JavaScript, HTML, CSS, MongoDB, Express.js, Node.js, MySQL, PostgreSQL

- **Others:**

Git, Object-Oriented Programming (OOPs), Operating System, Figma

WORK EXPERIENCE

Web Development Intern, Goyal Infotech (Mumbai)

Aug'24 – Oct'24

- Designed and developed responsive websites using HTML, CSS, JavaScript, Node.js, and MongoDB, ensuring optimal performance and seamless functionality across platforms
- Collaborated with cross-functional teams to troubleshoot and resolve technical issues, improving user experience and code efficiency.

Web Development Intern, Octanet Solution

Aug'24 – Sep'24

- Developed user-centric, responsive websites using HTML, CSS, and JavaScript, emphasizing seamless front-end design and enhanced user experience for diverse digital platforms.
- Utilized web frameworks and libraries to implement dynamic animations and interactive 3D graphics, enriching website functionality and visual appeal.

PROJECTS

2048 Game - [website](#)

Apr'24 – May'24

- Built a fully functional 2048 game using HTML, CSS, JavaScript, and frameworks, ensuring an interactive and engaging user experience across multiple devices with smooth gameplay and responsive design.
- Implemented a dedicated "How to Play" page, providing clear instructions for users, enhancing accessibility, and ensuring ease of understanding, while maintaining consistent functionality and a user-friendly interface across all screen sizes.

Personal Portfolio - [website](#)

Feb'24 – Mar'24

- Designed and developed a fully responsive personal portfolio website using HTML, CSS, and JavaScript, integrating multiple APIs to boost functionality. The site presents a detailed showcase of projects, technical skills, and achievements, featuring interactive UI components and smooth animations.
- It is optimized for performance across all devices, ensuring a seamless and engaging user experience. The portfolio highlights my expertise and accomplishments with a modern, professional design, enhancing accessibility and visual appeal while providing an effective platform for showcasing my work and skills.

Budget Buddy - [website](#)

Nov'23 – Jan'24

- Developed a robust Money Tracker website using HTML, CSS, JavaScript, MongoDB, and Node.js. The application offers comprehensive financial management by tracking user expenses and income, with detailed date and description fields.
- The platform features dynamic data visualization through a pie chart, offering clear insights into financial distribution, spending patterns, and income sources. Designed for efficient data handling and intuitive interaction, it ensures a seamless experience for managing personal finances.

ACHIEVEMENTS

- Top performer in Internshala training. [Certificate](#)
- Secured **Global Rank 219** in [CodeChef](#) Starters 74 (Division 4 Contest).
- Solved **150+ problems** on [Geeks-for-Geeks](#) and **200+ problems** on [LeetCode](#).

EDUCATION

Bachelors of Engineering in Computer Science
Chandigarh University, Punjab

Graduated Jun'2024
